

The City of Covina's Finance Department has unclaimed property. The uncashed checks were issued and mailed, but have not been cashed three years or more after their issue date.

Please review the following list to locate unclaimed property that might be owed to yourself or your business:

If, after reviewing the list, you have determined that the City may have property belonging to you or your business, please complete the claim form and follow the procedures for claiming.

The City has a duty to release funds only to the rightful owner. In this regard, we ask that the claimants provide documentation to validate their claims to ensure that no one but the rightful owner receive the unclaimed property. Claimants may submit the claim form for their property directly to the City without any service charges or fees.

Notice is hereby given under Government Code Section 50050-50056 that unclaimed property on the attached list will become the property of the City of Covina on June 11, 2015. Any claim against these items of unclaimed property must be filed on or before June 10, 2015, with the City of Covina.
